TALLULAH, LOUISIANA

Please Read Carefully

GUARANTEE — All irises or daylilies guaranteed true to name and of the finest quality; but no responsibility can be undertaken as to their growing, as this depends on care and local conditions.

TERMS — Cash with order. Daylilies and irises due to different methods of packing must be shipped separately. Postage paid on orders for \$3.00 or more of irises; for \$3.00 or more of daylilies. For orders less than \$3.00 each of either irises or daylilies, please add 25 cents for postage.

Stock is limited in some varieties, but no substitutions will be made unless a substitute list is sent.

In the south, daylilies may be planted from March 1 to October 1; and irises, from May 15 to October 1. Early-planted irises (May 15 to June 15) usually do better than those planted at later dates. Shipment of irises will begin about May 15.

PREMIUM OFFERS — On orders above \$6.00 to \$10.00, select 20 per cent more value. Example: If order is \$8.00, choose extra value of \$1.60.

On orders above \$10.00 to \$25.00, select 25 per cent more value.

On orders above \$25.00 to \$50.00, select 40 per cent more value.

On orders above \$50.00, select 50 per cent more value.

Prices quoted below are for one rhizome or division.

You are cordially invited to visit my garden, where the rises and daylilies listed above, as well as many other new varieties, are being grown. The peak of the iris-blooming season usually occurs from April 15 to May 1.

Daylilies begin to bloom in late April and continue through the summer. Best bloom occurs in May or June.
